1* Exactly like the hieratic form of T. In B4C, B12C^t and B13C the sign T is found.

2* Is the tick merely superfluous or does it mean that T is to be cancelled?

Notes of p. 106.

1* End of head.

2* added later.

3* Corrected out of .

4* Thus:

1* The spell which precedes 83d follows.

2* Second part of title (83g) follows.

3* Rest of l. probably empty: top of l. contains the beginning of a spell (82.69)

4* incomplete ?

5* Badly made; reading confirmed by better forms in B12C² 55, 60.

6* seems inevitable.
