1* See also 119e.

2* Probably red.

3* The original is lost; copied from Lacau, Sarcophages I p. 155.

4* Read $\frac{III}{III}$.

5* As S2C^a has the same series of spells as many other MSS., it is probable that Spell 109 stood in this lacuna.

6* Or written in red?

7* End of line. Next line a new spell.

8* Perhaps room for a small a.

9* Possibly traces of $\frac{H}{H}$.

10* $\frac{H}{H}$, $\square$ seems probable.

11* In M48C, S1C, S2C^a (B14?), B2Bo^b, B4Bo^c, BqC, B2L^d, and B1C the same spell follows; in the other MSS. different spells follow.
