1* According to Lacau, Sarcophages etc. II, 141 the front of B15C (Cairo 28123) contained part of Spell 157 and Spells 158, 159 and 160. This MS. is now completely illegible.

2* End of line. Line 41, 𓏤𓏤𓏤 is the last line of the side.

3* A restoration as suggested by my hatching fills the available space rather well. The trace of 𓄿 is, however, very doubtful.

4* Obscure traces; I saw 𓏤𓏤𓏤; perhaps simply 𓏤𓏤𓏤?
