1* For this restoration see ll. 128, 131.
 2* 144, 145? cf. l. 127 (p. 92).
 3* This restoration fills the lacuna exactly; cf. *simr.*, l. 101 (p. 88).
 4* *itr-t*; (as in l. 119 (p. 90) or l. 136 (p. 93)) does not fill the lacuna.
 5* See l. 132 (p. 92).
 6* Restored from l. 101 (p. 88).
 7* This restoration fills the lacuna well; cf. ll. 101, 102 (p. 88).
 8* *m*, traces suit
 [699]
 [700]

a BSC

 Column a contains hieroglyphs starting with a cartouchet containing the number 100. The column ends with a cartouchet containing the number 2.

c BSC

 Column c contains hieroglyphs with a cartouchet containing the number 101. The column ends with a cartouchet containing the number 1.

e BSC

 Column e contains hieroglyphs with a cartouchet containing the number 103. The column ends with a cartouchet containing the number 3.

g BSC

 Column g contains hieroglyphs with a cartouchet containing the number 104. The column ends with a cartouchet containing the number 4.

j BSC

 Column j contains hieroglyphs with a cartouchet containing the number 106. The column ends with a cartouchet containing the number 6.

n BSC

 Column n contains hieroglyphs with a cartouchet containing the number 105. The column ends with a cartouchet containing the number 5.

1* Traces suit;
 cf. l. 122 (p. 91).
 2* More probably
 ♂ than ♂.
 3* Perhaps a
 tiny trace of ♂.
 4* Probably room
 for ♂.
 5* Hw was added
 later.
 6* For many
 phrases in the
 following passage
 see Spell 315.
 7* Traces suit;
 cf. l. 120 (p. 90).
