Spell 639

5* It is perhaps more probable that N pr belongs to the preceding spell (Sp. 109=II 122), that the lacuna contained a red title, and that ḥmśi is the beginning of the spell. If so, this spell is nearly identical with Sp. 309=N 65.

6* This orthography e.g. TiL 188.

7* A new Spell follows.
